

You are invited to an
Open Healing Service led by the
Cor et Lumen Christi Community.

At the healing services we led last year God worked wonderfully, healing many people with many different kinds of illnesses and complaints. In the last twelve months, we have seen people healed from deafness, serious eyesight conditions, longstanding problems with walking and freedom of movement.

May God be praised!

“I have hearing aids in both ears, with hearing problems in my right ear since I was two years old. Last night, I was prayed for and I can now hear perfectly without hearing aids, after more than forty years.” – Marcel

“I was severely short sighted, unable to see anything clearly more than one metre away. After prayer I was shocked to find that I could clearly make out peoples’ faces from across the room.” – Attila

“I have had a burning sensation and pain in my lower back, 24 hours a day, all the time, for over a year now, but tonight after prayer, I feel fine, no pain, nothing, all gone. Praise the Lord!” – Ola

“I injured my right ankle 11 years ago and could not walk or run without pain. After prayer, the pain is gone and I can walk freely.” – Hedwig
