# Towards a New Pentecost

Every Pope since the beginning of Vatican II has called the Church to desire and prepare for a New Pentecost. This is an astonishing vision if we consider its full meaning. This conference will do exactly that. Starting with the vision of the Popes and the origins of their vision, we will gain a deeper understanding of what is meant by a New Pentecost and then look at how this affects us personally. We will then explore ways in which we can prepare and dispose ourselves to a new era of grace in the Church and the world.

- Is my vision for a New Pentecost the same as the Pope's?
- What will a New Pentecost look like?
- Are there already signs of a New Pentecost?
- What can I do to prepare for a New Pentecost?
- How can I open myself to the gifts of God and experience His love?

The conference will include inspired preaching and teaching, prayer ministry in the power of the Holy Spirit, as well as extended times of joyful praise, Adoration and the Holy Mass.
