Preaching and Teaching

"Damian Stayne is a gifted teacher with an anointing to bring God's healing love to His people. Your faith in God and the miraculous will grow by attending The Charism School."

Fr. Michael Scanlan, TOR, Franciscan University, Steubenville, Ohio, USA.

"Damian Stayne's ministry is helping Catholics around the world respond to the Church's call for a new evangelization by awakening them to the power of the Holy Spirit and His gifts. What is significant about Damian's approach is that he does not present himself as a healer, but helps ordinary Catholics become aware of and learn to exercise the Spirit's charisms. I know several people who have experienced physical healings at The Charism School, and many more who have had their faith in Christ increased exponentially and their zeal for holiness renewed."

Dr. Mary Healy, Sacred Heart Major Seminary, Detroit, Michigan, USA.

"I highly recommend Damian Stayne and The Charism School. The Charism School is a wonderful place not only to receive sound teaching but also be practically trained. People are encouraged to grow in expectant faith and miracles do happen!"

Michelle Moran, President of ICCRS, Vatican, Rome, Italy.

"We found the sermons inspiring and the healing service most helpful. Some of the healings were exceptionally moving."

Archbishop Thomas Menamparampil, Guwahati, India.
